7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities

To build a nation of youth who are noble in their attitude and morally responsible, the college organizes and conducted several activities to build and promote an environment for ethical, cultural, and spiritual values among the students and staff. To develop the emotional and religious feelings among the students and the faculty, commemorative days are celebrated on the campus with the initiative and support of the management for not only recreation and amusement but also to generate the feeling of oneness and social harmony. The college and its teacher and staff jointly celebrate the cultural and regional festivals, like New-year's day, Fresher Party, teacher's day, orientation and farewell program, Founder's day, Induction program, rally, oath, plantation, Youth day, Women's day, Yoga day, festivals like Diwali Mela celebration, Holi Milan celebration, New Year celebration, Lohri celebrations, etc. religious ritual activities are performed in the campus.

Motivational lectures of eminent persons of the field are arranged for all-round development of the students for their personality development and to make them responsible citizens following the national values of social and communal harmony and national integration. Convocation ceremony is conducted every year, where the convocation address is delivered to inspire and motivate the students for future journey. Besides academic and cultural activities, we have built up many strong infrastructures for a variety of sports activities for the physical development of the students. Similarly our students also celebrate the different festivals with joy and enthusiasm which help them to implant the social and religious harmony.

The festivals of all religious are celebrated in the at KCP campus. In this way the institute putting efforts/initiatives in providing an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal, socioeconomic and other diversities. The institute is proactively taking efforts in providing an inclusive environment. The initiatives are to promote better education, economic up-lift of the needy and setting communal harmony.
