

7.1.9 Description on Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties, and responsibilities of citizens

India, as a country, includes individuals with different backgrounds viz., cultural, social, economic, linguistic, and ethnic diversities governed and guided by the Constitution irrespective of caste, religion, race sex. The students and the employees of the institution follow the constitutional obligations about values, rights, duties, and responsibilities of citizens which enable them to conduct as a responsible citizen. To equip students with the knowledge, skill, and values that are necessary for sustaining one's balance between a livelihood and life by providing an effective, supportive, safe, accessible, and affordable learning environment. These elements are inculcated in the value system of the college community. The students are inspired by participating in various programs on culture, traditions, values, duties, and responsibilities by inviting prominent people.

The institute conducted awareness programs on the ban on plastics, cleanliness, Swachh Bharat, etc. involving students. The college establishes policies that reflect core values. The college regularly conduct screening programs, programs on adverse drug reaction and celebrates world pharmacist day to recall the responsibilities of citizens and contribution towards the society. Code of conduct is prepared for students and staff and everyone must obey the conduct rules. The college primarily focuses on topics like Professional ethics and human values, Constitution of India, Essence of Indian Traditional Knowledge, as a small step to inculcate constitutional obligations among the students. A separate NSS unit is started exclusively to encourage the students and the unit is successfully conducting activities to serve the society. Interestingly, food relief activity for Kodagu and Kerala was done.

Guest lectures and workshops are arranged by eminent personalities to deliver lectures on ethics, values, duties, and responsibilities and on saving the environment. Ethical Values, rights, duties, and responsibilities of citizens are some of the topics that are enlisted in Elocution, debates, and class presentation. The programs on feminine hygiene and cancer screening were conducted. The right to information is on place to provide any information requested by the public.
